Dear Judge Jessi Oliver and Mr. Brett Wilkinson,

We were honored to have you both join our first Faith Forward Dallas meeting of the year. Your dual presentation was very helpful and will facilitate the clergy in helping their congregants participate in townhall activities and realize the impact of redistricting in their lives.

I appreciate the daunting task that you have undertaken of not only actualizing the restricting plan but engaging the community to participate in this process. Would it help if you made the connection between redistricting and its implications on voting rights and racial access? This might increase community engagement.

Just this morning I have included the following information in my communication with members of Faith Forward Dallas.

1. Reference Map: <https://dallasredistricting.com/reference-maps/>
2. Submit your plan: <https://dallasredistricting.com/submit-your-map/>
3. Get Involved: <https://dallasredistricting.com/get-involved/>

PS: Please forward this email to Judge Oliver. Thank you

We look forward to our continued collaboration and conversations.

Thank you
